

Good health starts with great healthcare

From 1 January, 2026, your Resilient Health benefit will be provided at no cost to you. You'll have access to affordable, exceptional healthcare in-person in our CloudClinics, and from the comfort of your couch via telehealth and 24/7 messaging.

- **\$0 copay and \$0 deductible** for primary care, urgent care, and speciality care e-consults
- **\$0 out of pocket** for any Resilient provided service
- Coverage for you and your dependents aged 7 and over
- Hands-on care navigation to ensure you get high-quality, low cost healthcare within your health plan's referral network

Our CloudClinics are no ordinary doctor's clinics

Our CloudClinic medics become the hands of our remote physicians with our connected digital devices.

World class virtual care, wherever you are

When you can't get to a CloudClinic, or just need a simple follow up appointment, you can see your physician with our at-home telehealth or 24/7 messaging.
