

REDEMPTION HEALTH

Good health starts with great healthcare

With your Rezilient Health benefit provided by your employer at no cost to you, you have access to affordable, exceptional healthcare from the comfort of your couch via telehealth and 24/7 messaging.

- **\$0 copay and \$0 deductible** for primary care, urgent care, and speciality care e-consults
- **\$0 out of pocket** for any Rezilient provided service
- Coverage for you and your dependents aged 7 and over
- Hands-on care navigation to ensure you get high-quality, low cost healthcare within your health plan's referral network
